November 21, 2017

Ms. Irene E. Welsch
BAE Systems
65 River Road
Hudson, NH 03051

Dear Ms. Welsch:

This letter is in final response to your Freedom of Information Act (FOIA) request received at Naval Surface Warfare Center, (NSWC) Crane Division on November 21, 2016. Your request indicated that you are seeking, "U.S. Government Contract No. N00164-16-D-JQ16...and all modifications....awardee's proposal...Any correspondence (whether by letter, memo, or email) between the Navy's Procurement Contracting Officer and N2 Imaging Systems LLC regarding or related to the Contract. Any correspondence (whether by letter, memo, or email) between the Navy's Contract Specialist and N2 Imaging Systems LLC regarding or related to the Contract. Any correspondence (whether by letter, memo, or email) between the Navy's Contracting Officer's Technical Representative (COTR) and N2 Imaging Systems LLC regarding or related to the Contract. Post Award Conference (PAC) agenda and presentations. PMR agenda and presentations. Preliminary design review (PDR) agenda, presentations, minutes and lists of corrective actions."

Your request was assigned local Case File Number 2017-F-004. As per your email dated November 21, 2016, you indicated that you would accept clearly releasable information. On January 4, 2017 you were sent a partial response to your request enclosing contractual documentation.

As it was received, the FOIA request stated that you agreed to pay FOIA processing fees of up to \$500.00. You were assigned into the "Commercial" fee category. As per the FOIA Improvement Act of 2016, due to the response time to your request exceeding the statutorily regulated time there is no charge for your request.

Twelve (12) potentially responsive documents were located, one has already been provided to you, and the remaining 11 were redacted consistent with two applicable FOIA exemptions at 5 U.S.C. § 552(b) Exemption 4 and Exemption 6. Exemption (b)(4) protects commercial or financial information received from a private source when disclosure is likely to cause substantial competitive harm to the source. Exemption (b)(6) exempts personal information from release which, if released would result in a clearly unwarranted invasion of personal privacy. Each redaction has been annotated to show the applicable FOIA exemption.

A couple of things regarding the above-referenced contract that I am curious about:

- There does not appear to be any funding data in the base contract. Am I missing something?
- Following the PAC I sent in a proposed billing schedule. Have you had an opportunity to review? I believe we have hit two of the proposed billing milestones and would like to invoice soon.

Thanks,
